I am a motivated and enthusiastic Computer Science student with a strong passion for technology, problem-solving, and continuous learning. While I have no formal work experience yet, I have been actively developing my skills through university coursework, personal projects, and independent learning. I am eager to apply my knowledge in a professional environment and contribute meaningfully to a forward-thinking team.

EDUCATION

Superior University, Expected Graduation: [Nov, 2026]
Bachelor of Science - Computer Science (2022-Present)
